Subject: Angela - please consider Long Beach Airport issue..

Angela,

As a resident of Long Beach, patron of the LB Airport and owner of a business in the area, I urge you to consider the proposal to allow expansion for the airport without allowing more flights.

We have many dignitaries from around the world who are beginning to fly into Long Beach instead of LAX and, while quaint, it does little to help the image of our city and our company. Most of my employees also fly in and out of Long Beach and it would be very helpful to us to make it a more efficient operation.

Many thanks,
